PERMANENT OUTDOOR LIGHTING

FAQ

PREQUENTLY ASKED QUESTIONS

1. WHAT IS PERMANENT OUTDOOR LIGHTING?

It's a professionally installed lighting system using durable, weatherproof LED lights that are mounted permanently to your home.

2. IS IT SAFE FOR MY HOME?

Yes! Our low-voltage (48V) systems are safe, efficient, and designed specifically for outdoor use.

3. CAN I CHANGE THE COLORS?

Absolutely! Use our app to choose from millions of colors, adjust brightness, set schedules, and create the perfect look for any occasion.

4. HOW IS IT INSTALLED?

We custom-fit the system to your home using discreet mounting and clean wiring for a seamless, professional look.

5. WILL IT HOLD UP IN BAD WEATHER?

Yes! Our lights are built to withstand rain, wind, extreme heat, and cold. They're made for year-round durability.

6. HOW LONG DO THE LIGHTS LAST?

Our LED lights are rated for 125,000+ hours. That's years of stunning light with minimal maintenance.

7. WILL IT INCREASE THE VALUE OF MY HOME?

Yes! Permanent outdoor lighting boosts curb appeal, sets your home apart, and can increase resale value.

8. IS THERE A WARRANTY?

Yes! We offer a lifetime warranty on our lights and components so you can enjoy worry-free lighting for years to come.
